COMPLIANCE & HEALTH & SAFETY OFFICER

Part-time (20 to 25 hours per week)

We are looking for a part-time team member to provide support to Spray Marks for compliance tasks across Ashburton and Christchurch.

The successful candidate will be our H&S and Quality go-to person and monitor workplace health & safety hazards, train employees on health & safety procedures and investigate accidents.

Applicants should have experience with the following:

- ◆ H&S systems, practices and legislation
- ◆ Quality Assurance documentation requirements in a similar environment
- ◆ Compliance software development and use (we use Mango)
- ◆ ACC procedures, accreditation, work related injuries and rehabilitation

Ideally we would like someone with industry experience (either construction or engineering) and a relevant qualification in H&S. Environmental policy knowledge and best practice as well as and knowledge of NZ standards and accreditation would also be desirable.

We offer fantastic modern working facilities in Ashburton and our Christchurch branch with flexibility to work from either office for the right person. We offer Health Insurance for you and your family as part of your package. Remuneration for this role will be dependent on experience.

We work on projects throughout Canterbury, wider New Zealand and sometimes internationally so this position may involve some travel at times.
