

General Works Operator

We have permanent opportunities available for General Works Operators to join our busy team. Our General Works team offer a broad range of services including RRPM installations & maintenance, signs installation, water blasting, green/coloured surfacing, small/manual line marking and guardrail. If you are motivated, reliable and physically fit, read on and consider this as your next potential career challenge.

Ideally you will have/be:

- A Full Class 2 driver's licence
- STMS Level 1
- Dangerous Goods Endorsement
- Forklift licence
- Flexible about when and where you work – working in roading can include working extended hours, travel within the South Island and a mixture of night and day work.
- Physically able and interested in a long-term stable position.
- Able to pass pre-employment and regular drug testing.

In return we offer:

- Long-term stable employment
- Ongoing training and development
- The opportunity to learn and progress into an Operator role.
- Modern, well serviced equipment
- Health Insurance for you and your family after six-months
- Competitive hourly rate
- Great team environment

About us:

Privately owned, Spray Marks is a family-oriented business. Our modern, well serviced equipment will help you achieve quality. We provide a company uniform, safety gear, ongoing training and opportunities for career growth. Staff benefits also include Health Insurance for you and your family after six months.

To apply, please complete our application form <https://www.surveymonkey.com/r/Spraymarks> or send a current CV to kellies@spraymarks.co.nz
