

Roadmarking A & B Type Operators

Do you have experience in A Type or B Type Roadmarking and are you interested in a change of scenery, working in Canterbury? We have permanent, full-time positions available based out of our Christchurch branch.

Spray Marks Road Marking is currently seeking A & B Type Roadmarking Operators (Linemarkers) with suitable experience to join our dynamic roadmarking team, undertaking both maintenance/re-marking and installation of new markings throughout the South Island.

Privately owned, Spray Marks is a family-oriented business. We have a professional, committed, friendly team who are passionate about road safety and quality. We provide a company uniform, safety gear, ongoing training and opportunities for career growth. Staff benefits also include Health Insurance for you and your family after six months.

Ideally you will have/be:

- Proven experience in A or B Type line marking
- A current Class 2 driver's licence, ideally with a Dangerous Goods endorsement
- A current STMS (ideal) or Traffic Controller (TC) qualification
- A basic grasp of literacy and numeracy
- Must be physically fit, energetic and self-motivated due to the high physical demands of this job
- Flexible and willing to work a mixture of days, nights and weekends
- A positive can-do attitude (the most important bit).

You MUST also be able to pass a pre-employment drug test.

In return we offer:

- Long-term stable employment + immediate start
- Ongoing training and development
- Modern, well serviced equipment
- Health Insurance for you and subsidised for your family after six-months
- Competitive hourly rate

To apply please complete our application form <https://www.surveymonkey.com/r/Spraymarks> or send a current CV to kellies@spraymarks.co.nz
