

Traffic Controllers / STMS (All Levels)

Our traffic management team is expanding. Maybe you're looking for a career change and want to give traffic management a go, we offer training for the right candidates and can support you to gain your Traffic Controller qualification. OR, perhaps you are a qualified STMS Level 1 or above. We have opportunities for both so if you are someone who is flexible, friendly and hard working, we would love to hear from you!

About Spray Marks:

Spray Marks Traffic has been diverting traffic since 2003 and we have grown to become one of the leading traffic control operators in the industry. We are a very familiar sight on the roads of Canterbury and are known for our commitment to health & safety and great team environment.

Your opportunity:

Spray Marks Traffic have opportunities for driven, confident and hardworking individuals to join our busy team, based out of our Christchurch branch. Travel to our Ashburton branch can be expected from time to time, and during the busy season we can have jobs anywhere in the South Island.

Ideally you will have/be:

- A qualified TC or STMS Level 1 (or higher STMS qualification), with at least 6 months experience on the roads
- Class 2 Full Drivers Licence (Class 1 driver licence holders will still be considered)
- A positive can-do attitude (the most important bit).
- Flexible and willing to work a mixture of days, nights and weekends

You MUST also be able to pass a pre-employment drug test.

In return we offer:

- Long-term stable employment + immediate start
- Ongoing training and development
- Health Insurance for you and subsidised for your family after six-months
- Competitive hourly rate

Spray Marks Traffic prides itself on providing an environment that is friendly, with excellent working conditions, top equipment and competitive remuneration, with a focus on personal development and up-skilling of all staff.
